

# MOTORCYCLE TRAINING

## **Basic Rider Course**

The Motorcycle Safety Foundation's (MSF) Basic Rider Course (BRC) is aimed at beginning or re-entry riders. A minimum of five hours' classroom instruction prepares the student for at least ten hours of practical riding in a controlled, off street environment. Motorcycles are included in your fee. All motorcycles used in the course are 500 cc or less.

## **Advanced Rider Course**

The Advanced Rider Course is a one-day course for experienced riders who desire to learn and practice more in-depth riding techniques. The ARC is an action oriented class geared to introduce concepts in time and space management. The overarching goal is to provide sufficient technical information, dynamic performance feedback, and peer group interaction to achieve an increase in perceptual filtering capacities to reduce risk while riding.

## **3Wheel Basic Rider Course**

The Motorcycle Safety Foundation's (MSF) 3 Wheel Basic Rider Course (3WBRC) is aimed at beginning riders or people transitioning from 2 wheels to 3 wheels. A minimum of five hours classroom instruction prepares the student for at least ten hours of practical riding in a controlled, off street environment. A 3 Wheeled Cam Am (2 wheels in front) is included in your fee or you may bring your own (conventional factory trikes welcome).

## **Other Available Courses:**

**Also check out the Missouri Motorcycle Safety Program for more information about programs near you. <http://mmsp.org>**
